Sir:

Enclosed herewith are three (3) sheets of formal drawings that Applicant resubmits for publication with the formal patent document for the above-referenced application.

This application was filed on September 10, 2003, with informal drawings that were clearly marked "Draft."

On December 5, 2003, Applicant submitted three sheets of formal drawings for this application. A copy of Applicant's post card receipt establishing that the formal drawings were received by the U.S. Patent Office on December 8, 2003, is enclosed herewith.

Atty Docket No.: NSC1-M3300

On June 25, 2004, the Patent Office issued a Notice of Allowance in this application. The first page of the Notice of Allowability that accompanied the Notice of Allowance stated: "The drawings filed on 10 September 2003 are accepted by the Examiner." As stated above, the drawings filed with the original application on 10 September 2003 were informal drawings that were clearly marked "Draft" when submitted to the Patent Office. It was assumed that these "Draft" informal drawings were superceded by the formal drawings filed on December 5, 2003.

However, to ensure that the formal drawings submitted on December 5, 2003, are utilized in the publication of the patent document for this application, Applicant resubmits the formal drawings herewith.

Should there be any questions regarding this matter, it is requested that the undersigned be contacted immediately at (415) 772-4900.

Respectfully submitted,

STALLMAN & POLLOCK LLP
